

Vermont Home Preparation Checklist

A practical seller prep guide from Skyler Davis Group, Four Seasons Sotheby's International Realty.

01 Curb Appeal

- Mow the lawn, trim shrubs, and edge gardens and walkways.
- Weed and mulch planting beds; add simple planters where appropriate.
- Sweep walkways, driveway, porch, and entry areas.
- Remove toys, clutter, branches, and seasonal debris.
- Clean or repair patio, deck, and railings.
- Check exterior lighting and front door hardware; touch up paint where needed.

02 Entry & Main Living Areas

- Remove extra furniture, worn rugs, and bulky items.
- Create clear walking paths through each room.
- Repair loose knobs, squeaky doors, and small visible issues.
- Clean windows, sills, blinds, and trim.
- Add a fresh coat of light, neutral paint where needed.
- Use soft lighting and open shades before showings.

03 Kitchen

- Make sure appliances are clean inside and out.
- Clear countertops of nonessential items.
- Organize cabinets, pantry, and drawers.
- Clean grout, sink, fixtures, and backsplash.
- Repair loose handles, sticking drawers, or visible wear.
- Keep lighting bright and consistent; consider fresh fruit or greenery.

04 Bathrooms

- Deep clean tile, grout, mirrors, glass, fixtures, and floors.
- Remove personal products from counters, showers, and tubs.
- Replace worn towels and bath mats with simple, neutral options.
- Fix running toilets, slow drains, loose seats, or dripping faucets.
- Re-caulk where needed and refresh any visible paint wear.

05 Bedrooms & Storage

- Simplify bedding and remove excess furniture.
- Organize closets so they feel spacious and functional.
- Store off-season clothing, gear, and personal items.
- Make sure beds, lighting, and windows present cleanly for photography.

06 Systems & Seller Readiness

- Service heating and cooling systems where appropriate.
- Gather utility bills, permits, warranties, manuals, and improvement records.
- Address obvious safety issues, loose railings, missing covers, and visible leaks.
- Review well, septic, association, and rental documentation if relevant.
- Create a showing plan for pets, valuables, access, and day-of preparation.
